MEMO
This school year has been
one of the most successful
we have ever known. There
were many things, significant
and insignificant, that made
it such a success that
we will remember it always.
In this annual we
have tried to picture this
year of school. In the future
if this book may bring back
a few forgotten memories, then
our efforts have not been in
vain!

DEDICATION

In deep appreciation for her untiring efforts, faithfulness, and willingness to work, we effectionately dedicate this annual, "The Wildcat" of 1946, to our sponsor, Mrs. Robbie Wright.

A loyal friend to every student in L. H. S., Mrs. Wright has been a valuable asset to the school. We also wish to thank the entire faculty for their cooperation in making this annual the best we have ever had.

Dear Students:

Your efforts to make this year a profitable experience for all of us is appreciated. You are to be commended for the attitude shown in your school relations and upon your every achievement.

It is with utmost sincerity that I wish for each of you the joys and satisfaction that comes from a job well done and a life well lived.

That happiness and success may be yours down through the years is my earnest wish.

Dear Students:

Just remember that you are an individual blessed with an ability that your friends do not have. He in turn has some abilities which you do not possess. Your future depends not on the abilities of others but upon the development of your own abilities.

Education is essentially the process of finding one's own self. Find your place in society and know your possibilities and limitations. Then you will be a happy worthwhile citizen and a credit to your parents, teachers, school, community, and country.

"Let 'er roll, Lyle"

Until about two years ago, Littlefield had the largest bus system in the world. Now it boasts second largest. The longest route run by one bus is49 miles. Sixteen busses are used to carry approximately 1100 pupils both ways, the average distance is about 22 miles, the total busses travel about 720 miles a day,and they cover an area of 298 square miles. Especially important during the war was the fact that 119 tires were in use daily.

Wildcat Band

The Wildcat Band took an active part this year in most of the school activities. They played at all the football games and performed several stunt programs which were quite original. Among their other activities, they made several public appearances, including assembly programs and a tour, together with the Choral Club, of the towns of the county. They also accompanied the Choral Club in an Easter Sunrise Service. The season was brought to a climax and topped off with a spring concert.

Altogether the year was very successful, owing much to the able leadership of Mr. Younger, the director during the football season, and to the musical knowledge and patience of the present director--Allan Winston.

Maroon and White, you know how to fight
We know you'll win-
And if you fight, it won't be long
Till we'll all sing, a new victory.
So, loyal and true to your colors you must ever be.
Our colors gay, they shine out today
They fill our hearts with courage and the will to win
Let's pledge our minds to honor and right
Press onward and upward with loyalty to L.H.S.

Littlefield vs Hereford
13 6

Littlefield ruined a perfect score for the HerefordShorthorns when she beat her with a 13 to 6 score. It was the first time the Hereford goalline hadbeen crossed this year, and for a time it seemed that the Wildcats might not be able to crossit;however in the last half the Wildcats came through and brought the Victory home once again.

Littlefield vs Sudan
20 20
4 3

Littlefield and Sudan,both undefeated in conferenceplay met for title place on Thanksgiving Day. It was a mad tussle but the Wildcats finally nosed out the Hornets by one penetration, the total being 4 to 3 with a score of 20-20 -- a close call--but Victory!

Littlefield vs Denver City
33 6

A large crowd of grid fans sawthesmashing Littlefield Wildcats overpower a hustling but outclassed bunch of Mustangs from Denver City, in the section's Class A bi-districtplay off. The Mustangs didn't score until the last quarter. This is our second victory over Denver City.

Littlefield vsMonahans
20 7

The Littlefield Wildcats ended their season in a blaze of glory by crushing the Monahans Green Wave 20 to 7, thereby winning the first Regional trophy ever to grace the halls of L. H. S. However, on three previous occasions teams have been sent to try for Regional honors.

Littlefield vs Ballinger
14 19

Littlefield and Ballinger, the two biggest scoring Class A high school football teams in Texas, collided in a sharp duel in which Ballinger won, 19-14, by a strong rally in the second half. The Wildcats and Bearcats had the same background, winning Bi-district last year, but losing the Regional. This was not a conference game for either team but was played entirely for competitive sportsmanship.

L to R-Coach Leo Duffey, James Lee, Eugene Carter, "Mama" Buell, "Slow" Grissom, Jackie Shelby, Malcolm Stokes. 1st Row-Jack Davis, Dal Brandon, Billy Wayne Sisson, Gene McCanlies, Junior Graham, Sabin Hendrickson.

The Littlefield boys' basket ball team started their season about six weeks after the other teams in the District. This was caused by the late running of the football season,which all members of the basketball team participated in. Three of the starting boys: Brandon, Hendrickson, and McCanlies were also first stringers in football,and about the middle of the season, Vernon Wright,(not pictured another starting player, moved away. Because of lack of experience, time and equipment the team does not have an outstanding record from the point of number of games won; however, the season was a success when measured by the other points of achievement. The boys brought the consolation trophy home from their first tournament.

KITTENS

The Littlefield girls' basketball team had a successful season, winning all of their conference games and thirteen out of the total seventeen.

The team started the season by winning the trophy for first place in the Spade tournament. Again the team won second place in the county tournament.

Imogene Harlin, captain, topped the season as high point player.

Nadene Fields, co-captain, played a smooth game throughout the season.

The girls are looking forward to a very successful season next year, although we are losing Nadene Fields, Juretta Peel, Imogene Harlin, and Allyne Williams, all of whom were outstanding players this season.

"L" Association

The "L" Association was a very active organization in L.H.S's earlier years, but it had ceased to function until the fall of 1944. The Association represents any holders of our High School "L". Most of the present members of the "L" Association are Football lettermen; however, a few have been honored the Basketball "L". The Association stands for good sportsmanship and clean living. The Captains of the Varsity: Billy Lyman and Sabin Hendrickson are the presidents of the Association, and it is sponsored by Coach Fikes.

The Hi-Y Club is similar to the nationwide Y.W.C.A. It is a club exclusively for Senior girls, and each girl must be making passing grades before she is eligible for membership. The Hi-Y Club in Littlefield High School was organized in 1939,but the organization was disbanded and inactive until this year. Pledges are voted in by the old members each spring. The Hi-Y Club is a religious organization, and all its meetings and socials are conducted in a manner befitting the club purpose. The sponsors of the club are Mrs. Hugh McKinley and Mrs. Paul King.

The Littlefield Future Farmer Chapter was chartered April 10, 1930. With this they became a member of the Texas Association of Future Farmers of America. From the date of this charter to the 1945-46 school term the chapter has developed seven Lone Star Farmers. At the start of this year there were 60 paid up FFA members, with an average investment of 4.1 projects per boy set up for this year's work. A special trip was made to the Fort Worth Fat Stock Show.

The Future Homemakers of America is an area, state and national organization of pupils studying homemaking. F.H.A. offers opportunity for the further development of pupil initiative in planning and carrying out the activities related to homemaking.

Future Homemakers of America is an incorporated non-profit youth organization. It came into being through the cooperative efforts of youth enrolled in homemaking in Secondary Schools in building a national organization of their own in which they may develop social qualities and promote better home life for its members and their families.

Meetings are scheduled on the second Tuesday of each month. There is a social every month, and the high light of the year is the "Mother and Daughter" banquet.

Club advisors are Mrs. Sims and Mrs. Blackwell.

Choral Club

The Littlefield Choral Club was newly organized last fall with Mrs. Norma D. Ewell as director. Two major performances were given: The Christmas Concert in December and the Operetta, "Kathleen", in April.Other performanceswere given at various times, both in Littlefield and the surrounding towns. In January the Chorus went to each of the towns in the county giving concerts for The March of Dimes and was received graciously everywhere. The High School Sextet made up of six of the Chorus girls: Glendolyn Bales, La Rue Clark, Lena Floy Denson, Virginia Harlan, Pat Pratt, and Frances Toews also sang at many different occasions throughout the school year. All of the members of the Choral Class can look back on the entire year as filled with success and enjoyment.

Dramatics Club

President	Junior Graham
Vice-pres.	Buster Owens
Secretary	Betty Ann Edwards
Reporter	Ernest Repass
Pub. Agent	Frederick Mitchell

The Dramatics Club was organized this fall under the direction of Miss Jean Longbotham. The Speech Class selected the new members. The members of last year's club automatically became members. A committee was appointed to write a constitution; so that the club could continue from year to year.

Not connected with the Dramatics Club, but certainly an outstanding production, was the Senior Play, "Demon In The Dark." The play, under the able directorship of Mrs. Mary Belle Holland, assisted by Mrs. Robbie Wright, and Miss Franciana Blevins, netted the Senior Class $330.00. This money was used to defray expenses of the Senior trip.

Sub-Deb
